Pinard Waste Systems is Now Hiring: CDL A or B Residential Drivers

CDL A or B drivers wanted to operate refuse collection vehicles on pre-assigned and special routes to pick up garbage, recycling, and yard waste for our Seacoast and Manchester regions.

JOB REQUIREMENTS

- perform pre- and post-trip inspections and cleaning as set forth by Pinard Waste Systems procedures and D.O.T. guidelines, and other related work as assigned
- safely operate truck on pre-established routes within prescribed time, employing defensive driving techniques
- provide an exceptional level of service to customers and the general public in all aspects of refuse operation
- exhibits a positive attitude towards company and customers
- prepares, maintains, and submits required Company and regulation-mandated reports and documents
- workday flexibility and ability to work some Saturdays a must
- must pass DOT/Company required drug and alcohol screenings, and physical agility test
- must be able to drive, operate and labor
- must have reliable transportation

EXPERIENCE

- must have at least two years of previous experience operating a refuse vehicle requiring a CDL within the past seven years. *CUROTTO CAN and AUTOMATED SIDE LOAD EXPERIENCE A PLUS!*
- no motor vehicle violations within the past three years
- skilled in map reading, GPS, and some electronics
- must exhibit normal range of body motion, physical agility, and be able to repeatedly lift 50 lbs. in a day

BENEFITS

Following a successful 60-day probationary employment period, Pinard Waste Systems offers a competitive benefits package including:

- guaranteed 40-hour work week,
- health, dental, vision, and life insurance coverages for employee and dependents, short and long-term disability
- paid vacation and sick time to accrue in accordance with company policy,
- ability to participate in a 401K retirement plan after one year continuous service
- uniform and boot allowance

Pay commensurate with experience
Job Type: Full-time
