Recycling is collected every other week. This calendar highlights your collection week	
<b>Single Stream Recycling Guidelines</b> .....	4
What can and can't be recycled?	

# CURBSIDE COLLECTION

Tilton's automated collection program for trash and recycling uses 96 gallon, wheeled collection carts. Black carts have been distributed to all residents for trash collection, and 96 gallon blue carts (either a light blue cart with a blue lid, or a navy blue cart with a green lid), are to be used for recycling. All carts are the property of the Town; **please do not mark or modify the carts in any way**, and should you move, **both carts must remain with the property.**

Details on cart distribution, use, and overflow needs are outlined below:

## BLACK TRASH CARTS

**Single-Family and Multi-Family Dwellings with 2-4 units:**

ONE (1) cart per unit: Single family = 1 cart, 2 family = 2 carts, 3 family = 3 carts, 4 family = 4 carts

**Multi-Family Dwellings with 5+ units and Businesses:**

These are designated as "commercial" by Town ordinance, and will receive ONE (1) cart total for disposal of trash. For needs greater than this, please contract a private hauler for container service.

Trash placed inside the cart **must be bagged** and **must fit within the confines of the cart with the lid closed.** In the event that you have additional material, you may purchase special purple Town of Tilton trash bags (see below for details). If needed, smaller versions of these carts may be available for seniors or residents with disabilities. Please contact Pinard Waste Systems at (603) 623-7933, ext 1100.

## BLUE SINGLE STREAM RECYCLING CARTS

**Single-Family and Multi-Family Dwellings with 2-4 units:**

ONE (1) cart per unit: Single family = 1 cart, 2 family = 2 carts, 3 family = 3 carts, 4 family = 4 carts

**Multi-Family Dwellings with 5+ units and Businesses:**

These are designated as "commercial" by Town ordinance, and will receive ONE (1) cart total for recycling. For needs greater than this, please contract a private hauler for container service.

All recyclables must be placed in the collection cart; items left outside the cart **will not be collected.** If you're experiencing a persistent, on-going problem whereby your needs exceed the capacity of the cart provided, you may contact Pinard Waste Systems at (603) 623-7933 ext 1100, and they will try to accommodate your needs on a case by case basis. Details on single stream recycling, and what can and cannot go into the cart can be found on page 4 of this guide.

## PURPLE TOWN OF TILTON TRASH BAGS

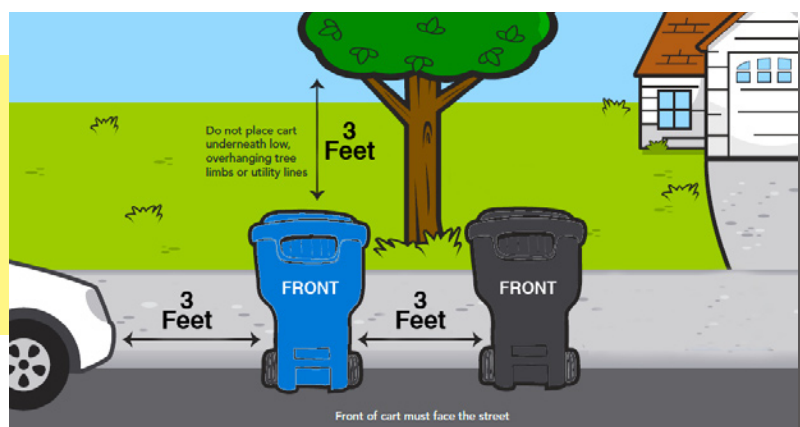

We understand that occasionally, your trash disposal needs may exceed the Town-provided 96 gallon cart. For those instances, you may purchase purple Tilton overflow trash bags at the Town Hall. **Purple bags are not collected curbside; they can be disposed of at the Town Transfer Station, 581 West Main Street, Wednesdays 1pm - 3pm, and Saturdays 9am - 1pm.**

33 gallon bags: \$1.50 per bag, sold in packages of 5 bags (\$7.50 per package)

15 gallon bags: \$1.00 per bag, sold in packages of 10 bags (\$10 per package)

If you have questions about the bags, or for more information, call the Town Hall at (603) 286-4521.

THIS ILLUSTRATION SHOWS THE PROPER PLACEMENT OF CARTS. PLEASE NOTE THAT CARTS MUST BE PLACED AT LEAST 3 FEET AWAY FROM OTHER OBJECTS.

# COLLECTION SCHEDULE

Please find your street listed below. Trash is collected every week on the day listed, and recycling is collected every other week on the same day. The colors here coordinate with the calendar on page 4 and indicate the weeks your recyclables will be collected.
