Dept. of Public Works 200 Kings Highway

SPRING BULK COLLECTION
Curbside, same day as trash **STICKER REQUIRED**

Tuesday, May 7th

Friday, May 10 th

FALL BULK COLLECTION Curbside,
same day as trash

STICKER REQUIRED

Tuesday, October 8 th

Friday, October 11 th

Bulk stickers are required for all bulk items. Each property owner shall receive two free bulk stickers. Additional stickers are \$5.00 each. Renters need to see their landlord regarding bulk stickers.

Stickers must be picked up or purchased at the Town Clerks office during normal business hours for \$5.00 each.

Stickers do not expire and can be used at any bulk collection day. Bulk pick-up would include such items as a couch, mattress, recliner, kids pool, tall lamps, totes, etc. Bulk items are items that cannot fit in a 39 gallon trash container.

Items NOT included in bulk pick-up are **ELECTRONICS, TIRES, METAL, HAZARDOUS MATERIAL, OR ANY CONSTRUCTION DEBRIS.**

Curbside Collection

To ensure safe and reliable collection of your curbside trash, it is important that all residents follow the procedures and guidelines listed below. If you ever have questions about your collection, please call Casella Waste Services at (603) 623-7933 or email customerservice@pinardwaste.com.

POLICIES & PROCEDURES

- Although Casella Waste Services will typically make collections at approximately the same time each week, occasionally circumstances occur causing us to alter our schedule, resulting in earlier collections. In order to avoid missing your collection, **materials must be placed at curbside prior to 7:00 am on your scheduled collection day.**
- Maximum size per container: 39 gallons; larger containers may be utilized, provided material is bagged within the receptacle.
- Maximum weight per container: 50 pounds
- Maximum number of containers: no limit for normal, weekly generated household waste.

MATERIALS REQUIRING SPECIAL HANDLING

- Special arrangements and surcharges are required for any materials that require special handling, which are not included with the weekly collection. These items include: **tires, bulky, heavy items of any type, liquid waste of any type, construction/demolition materials, hazardous/toxic substances, ashes, electronics (tv's, stereos, monitors, etc.), fluorescent light bulbs**
- Sharp objects (needles, razor blades, broken glass, etc.): Casella Waste Services will collect these items along with your scheduled collection. However, per New Hampshire rule, they must be placed in a rigid, puncture resistant, sealed container, such as a laundry detergent bottle, and placed in with the regular trash, not the recycling.
- NH RSA 149-M:15 and 16 mandate that leaf and yard waste must be composted and may not be disposed of in the waste stream. In order to comply with this statute, the following items must also be handled separately, and therefore also require special arrangements and surcharges; **leaves, lawn rakings, brush.**

HOLIDAYS

Casella Waste Services strives to minimize the inconvenience to our customers caused by collection delays. Therefore, you can expect us to be operating on schedule on most holidays. The following holidays are the only exceptions:

• **New Year's Day • 4th of July • Thanksgiving • Memorial Day • Labor Day • Christmas Day**

Observed holidays impact collection in the following manner:

Within the holiday week, collection will occur on schedule on the days preceding the holiday. Collections scheduled for the holiday, as well as the remainder of the week will be delayed one day. **For example, Thanksgiving falls on a Thursday. Customers with scheduled collection on Tuesday of that week will not be affected, but Friday's collections will occur on Saturday.**

If you ever have questions about your collection, please call Casella Waste Services at (603) 623-7933 or email customerservice@pinardwaste.com. You can also visit www.pinardwaste.com for updated Middleton Program information.

Exciting News : On September 1st 2023 Pinard Waste Systems Joined The Casella Waste Services Family. We will still look and perform the same, but will now have many new resources to provide the Town.
