# Curbside Collection

Tilton's automated collection program for trash uses 96 gallon, wheeled collection carts. Blue carts (either a light blue cart with a blue lid, or a navy blue cart with a green lid), have been distributed to all residents for trash collection. All carts are the property of the Town; please do not mark or modify the carts in any way, and should you move, both carts must remain with the property.

**Details on cart distribution, use, and overflow needs are outlined below:**

## Blue Trash Cart

*Single-Family and Multi-Family Dwellings with 2-4 units:*

ONE (1) cart per unit: Single family = 1 cart, 2 family = 2 carts, 3 family = 3 carts, 4 family = 4 carts

*Multi-Family Dwellings with 5+ units and Businesses:*

These are designated as "commercial" by Town ordinance, and will receive ONE (1) cart total for disposal of trash. For needs greater than this, please contract a private hauler for container service. Trash placed inside the cart must be bagged and must fit within the confines of the cart **WITH THE LID ABLE TO CLOSE**. In the event that you have additional material, you may rent an additional cart or purchase purple Town of Tilton trash bags (see below for details). If needed, smaller versions of these carts may be available for seniors or residents with disabilities. Please contact **Casella Waste Services at (800) 623-7933, ext 1100**.

## Subscription Trash Service Through Pinard Waste Systems

For those with greater trash needs, Casella Waste will rent additional carts for an annual fee of \$211.00. The subscription period will run from January 1st - December 31st, and will be pro-rated for those subscribing after the start date. Full year subscriptions will not be prorated for early removals. Subscription customers will receive a 65 gallon cart, with a yellow lid, which can be placed curbside on your collection day with your Town provided cart. At the end of the subscription period, if you choose NOT to renew, Casella will remove the cart.
